Frisco, TX • (469) 406-3090 • cjarrett1@crimson.ua.edu

EDUCATION

The University of Alabama – Tuscaloosa, AL

Master of Science in Finance

May 2027

- Concentration: Financial Engineering
- Accelerated Master's Program

The University of Alabama – Tuscaloosa, AL

Bachelor of Science in Finance/Economics

May 2027

- GPA: 4.0/4.0

EXPERIENCE

IBM Consulting – Dallas, TX

May 2026 – Present

Oracle Cloud EPM Consultant Intern

- Advised enterprise clients on EPM process design, identifying workflow inefficiencies and delivering solutions that accelerated close cycles and reporting timelines
- Engaged directly with clients to document deliverable action items and identify future improvements, allowing on-time implementations

ALTAIR GLOBAL – Frisco, TX

May 2025 – October 2025

Compliance Analyst

- Conducted internal audits and risk assessments evaluating corporate policy effectiveness and compliance with global mobility regulations
- Analyzed vendor performance and cost structure of outsourced compliance function identifying inefficiencies in Capgemini's regulatory inspection delivery model
- Developed and presented business case to leadership recommending in-house migration of compliance operations, projecting material cost savings (20k YoY) and improved regulatory control

PROJECTS

IBM NEXUS, IBM Consulting – Dallas, TX

May 2026 - Aug 2026

Team and Project Lead

- Designed and built a full-stack AI knowledge management platform routing consultant queries to domain-specific models, eliminating the middleman for knowledge expert searching
- Defended technical structures and strategic roadmap for NEXUS to executive sponsors, adapting communication across technical and non-technical audiences to secure organizational buy-in
- Optimized inference pipeline architecture, reducing compute costs by approximately 35% while maintaining output quality across consultant use cases

Costco Leveraged Recapitalization, University of Alabama FI-522 – Tuscaloosa, AL

April 2026

Team Lead – Corporate Finance Analysis

- Modeled optimal capital structure scenarios for a hypothetical Costco leveraged recapitalization, analyzing debt capacity, credit metrics, and shareholder return implications
- Presented strategic recommendation on debt/equity positioning to course faculty

The Pilot Port LLC – Miami, FL

October 2025

Financial Assistant

- Identified arbitrage opportunity between dry lease costs and aircraft ownership, recommending acquisition that reduced the client's fixed costs below existing lease payments
- Structured an in-house financing model using prepaid flight hour tranches to fund aircraft purchase, generating above-market interest income while providing downside protection for the flight school

INVOLVEMENT

- Alabama IFC: Judicial Board, Alabama SGA: Lobby Board Member, Culverhouse LIFT Class Leader
